Mon activité pédagogique m'a inspiré pour la rédaction de ces Hommages.

Ce sont des études qui donnent aux étudiants des tâches variées en complément aux exercices habituels qui, aussi indispensables soient-ils, sont souvent „secs“ et mécaniques. Avec des outils techniques imposants, des indications de son bien adaptées et une notion du style, ainsi qu'une fantaisie certaine et un sens de la bonne humeur, ces Hommages peuvent aussi être joués sur scène. C'est pourquoi je les conseille à tous mes anciens, actuels et futurs élèves, ainsi qu'à ceux qui jugent digne une activité minutieuse.

Zum Verfassen der Hommages inspirierte mich meine pädagogische Tätigkeit.

Sie sind als Etüden gedacht, die die Studenten als Ergänzung zu den gewohnten „trockenen“, mechanischen, wenn auch unentbehrlichen Übungen vor mannigfaltige Aufgaben stellt. Mit imposantem technischen Rüstzeug, entsprechender Tongebung und Stilkenntnis, sowie einer gewissen Phantasie und Sinn für Humor vorgetragen, bestehen sie - hoffentlich - auch auf der Bühne.

Deshalb empfehle ich die Hommages all meinen früheren, jetzigen und künftigen Studenten, sowie denjenigen, die es einer eingehenden Beschäftigung für würdig erachten.

My pedagogical activities inspired me to compose the Hommages.

The pieces were intended to be etudes or studies which students may use as supplementary material to the usual dry and mechanical - although indispensable - exercises. They contain various challenges. If performed with impressive dexterity, with proper tone production and sufficient knowledge of styles, coupled with a sense of humor and a certain amount of fantasy, they could - hopefully - find success even on the concert stage. There, I recommend the Hommages to all my former, present, and future students, and also to those, who, recognizing their value, may wish to devote more concentrated attention on them.

A Hommages-ok megírására pedagógiai munkásságom ösztönzött.

Olyan tanulmányoknak szántam őket, amelyek a megszokott „száraz“, mechanikus - bár nélkülözhetetlen - gyakorlatok kiegészítéseként a növendékek számára sokrétűbb feladatot jelentenek. Impozáló technikai felkészültséggel, megfelelő hangvétellel és stílusismerettel, valamint némi fantáziával és humorérzéssel előadva - remélhetőleg - a pódiumon is megállják a helyüket.

Ezért a Hommages-okat ajánlom valamennyi régi, jelenlegi, valamint leendő növendékemnek, valamint mindazoknak, akik érdemesnek tartják arra, hogy behatóan foglalkozzanak vele.
